Tony:

Re S. :

I have made a single reservation at the Hay-Adams for Mon evening, July 14 (guaranteed in the name of Mrs. Edward McCarthy, American Optical Co.)

Ray Farrell, head of Immigration and Naturalization Service, called back to give me his home phone number (965-3993) in case you need him over the weekend. He also said (since he thought he had misled us earlier) that it's not necessary for S to use an American airline to come into the U.S. It's leaving the U.S. that a reservation on TWA, PanAm, etc. is advisable.

When we find out which terminal he comes in to, I can set up a White House car to take you to meet him and take him to Hay Adams.

You will have to drive your station wagon on Tuesday to pick him up and bring him here to the White House. He has a 10:30 a. m. w/the Pres, but I'm sure he'll come earlier to see K. (We have to insure that no one encounters him -- even our own Staff).

Tony:

Mr. S says in attached he arrives on Monday, July 14 at 5:00 p. m. However, he gives no flight information. We will therefore have to call and get same.

Even though we arranged to have a special passport done for him (and I don't recall if we used a bogus name, but Ray Farrell of INS could refresh my memory on this), we have to alert Farrell so he can have his Port Authority get S past Customs. Also, we have to make a reservation at the Hay Adams. On his return flight, Farrell will also have his Port Authority get S on the outgoing flight.
